**Event to be held at Temple Beth El of Huntington  
660 Park Avenue, Huntington, New York 11743**

Why is racism still with us and what can the Civil Rights Movement tell us about today? David Billings, author of *Deep Denial: The Persistence of White Supremacy in United States History and Life*, will discuss the historical legacy of racism and white supremacy that we see manifesting in these current political times through the rise of white nationalism, anti-immigrant policy, and tough on crime rhetoric. David Billings will also provide guidance on organizing through an anti-racist lens, based on his 40 years of experience doing this work (from Mississippi to New Orleans to New York).

David Billings is an anti-racist trainer and organizer with The People's Institute for Survival and Beyond, based in New Orleans.

**OneCommunity** is an initiative started by Temple Beth El of Huntington. The goal of **OneCommunity** is to bring together people of different faiths, cultures, ethnicities, and orientations in a spirit of understanding.
