# LINC Facebook Group

*“**DISCLAIMER:** The views and opinions posted on our Facebook page do not reflect official LINC positions. Education and the sharing of ideas are essential to the LINC mission. Differing views help us grow, learn, and expand our base of knowledge and while we can disagree, we need never be disagreeable. We at LINC take our mission seriously and as we explore issues, especially sensitive issues, we ask that everyone comport themselves in a respectful manner. We will not tolerate name calling, abusive language or disrespectful discourse on our LINC Facebook page and will take down posts and comments that are deemed offensive and not contributing to a learning and informative environment.”*
